1.1   Virtual Logistics

Wellingtone can offer the virtual in-house Assurance Practitioner course via **Microsoft Teams** of **Zoom***.
Prior to the course, delegates will be asked for their physical address and a training pack will be sent via courier to them wherever they are, along with guidance on how to utilise the virtual classroom.

* Zoom is the preferred option for delivering virtual courses as it includes enhanced functionality

1.2   Upcoming Public Courses

Upcoming public courses are available on our websites: Wellingtone UK
Wellingtone España

2   About Wellingtone

Wellingtone have been taking a diverse mix of organisations to the future of work management since 2001, clients include:

2.1 Client Statements

"Wellingtone didn't just focus on the IT implementation – they added value to the strategic process and decision making, and they stayed in constant communication to ensure we were up and running as quickly and smoothly as possible.
Laura Parkinson, Senior Programme Manager - Cumbria NHS

"We found Wellingtone's approach refreshing. It felt more like a partnership than a supplier relationship, and they delivered on what they had promised. I would recommend them to anyone who's considering making the move to Project Online."
Sarah Olliffe, Senior PMO Analyst - ACCA

"I would recommend Wellingtone due to their approachability, flexibility and expert grounding in the world of project management. That's their focus. It's not just about software implementation for them."
**Scott Young, PMO Manager - Leicestershire County Council**

2.2 Case Studies

A number of relevant case studies are available on the Wellingtone Website 🔗

We can support you with the entire journey.

2.3.3　Project Management Day of Service

Project Management Day of Service (PMDoS)® was started in 2014 in the US by PM4Change, a group of 40 project managers interested in giving back. Driven by an all-volunteer PMO, the first event brought together 300 volunteers to provide pro bono PM services to 100 charities. The Wellingtone partnership with PM4Change means we are the exclusive UK Partner and run two PM Day of Service events each year in the UK, often using Microsoft conference space.
